Arabic inside English text

The Arabic word كتاب means book, and its plural كتب is used in many library catalogues.

In Doha, the National Library of Qatar holds more than 1,000,000 items. Its Arabic name is مكتبة قطر الوطنية.

Search engines often fail when a PDF stores مرحبا as separate letter shapes instead of normal Unicode letters.

A typical invoice line reads 7,350 الإجمالي QAR, which mixes two scripts and a number in one line.
